Merry Christmas

The Christmas calendar is packed full of special entertainment, holiday craft times and tons of fun!! We hope everyone will take advantage of all the goings on in the building and take part in the holiday cheer.

Christmas Day

We have found that most of our residents are out of the building Christmas day celebrating with their families. So with that said, we will be closing the dining room for dinner Christmas night. We will be serving our Christmas lunch at noon as always for those of you who don't go out, but we will be doing a box dinner that evening. More information will come out closer to Christmas.

A Friendly Reminder...

Flu Season is upon us. We would like to remind everyone that if you have been ill; coughing, sneezing, nausea, diarrhea or fever, please stay in your apartment for at least 24 hours of being symptom free. Being a good neighbor means keeping your germs to yourself. We will be glad to bring you complimentary room trays while you are feeling under the weather.

In a community like ours, germs can spread very quickly. Please remember to wash your hands frequently. Ask friends and family to not visit if they are not feeling well. We want to have a happy and healthy holiday season!!
