Resident of the Month

April's resident of the month is Don Faul. Don joined the Kenton Pointe family one year ago this month. Happy Anniversary Don!!

Don proudly served our country for two years and spent time in Germany and Vienna Austria. After his return, Don enjoyed his time working at IBM where he retired after 25 years. He and his wife of 70 years raised a wonderful family and enjoyed traveling. He likes to share stories of their adventures in the RV and the friends they made throughout their travels. He is so appreciative of his caring family, both children and grandchildren. He loves their visits! Whether it is sharing a meal here at KP, playing trivia at happy hour or going to Caproni's for some fried green tomatoes.

We are so very blessed to call Don family!! He has a wonderful sense of humor and a very kind smile. Take time to have a meal or sit and chat with this fine gentleman. We know you will be glad you did.

St. Patrick's Day & March Shenanigans

Just a reminder...

We always have snacks available if you get hungry in between meals. The snack basket is located as you enter the dining room, or just ask a staff member to assist you.

Outings are BACK!!

We are starting out in town with trip to Bab Evans on April 9th. We will be leaving at 11 am. On April 30th, we will head down to northern Kentucky to Cracker Barrel. We will leave here at 10:30. It is exciting to get back out on the road and have some new adventures. As always, each resident is responsible for the own meal. The sign up sheets will be on the entry table going into the dining room. There is limited space in the van so it will be first sign up, first go. Don't worry, we will be getting out and about as long as our weather allows.

Come Join in with the Activities

Please come join us as we stay busy and active with our minds, bodies and spiritual wellness. We encourage everyone to watch their calendars and find something (or several somethings) to participate in. We offer a wide range of physical, intellectual and spiritual activities to be a part of. We ask all participants to be good neighbors. So if you get a phone call or receive a visitor, please leave the area since we have several folks that have a hard time hearing. Background noise can be very distracting and can make the other residents feel uncomfortable.

Thank you for thinking of others
