Resident of the Month

Our resident of the month is Betty Rayburn. Betty joined our community in June of last year.

Betty was born in Tollesboro. She spent a few years in California after she married but then came back to this area. Betty worked many years as County Executive Director of Agriculture.

Since Betty has joined our family we count on her for her beautiful sense of style. She can be found most afternoons playing Rook or enjoying sitting and chatting with friends. Betty is blessed with many caring family members and friends. If you get a chance, enjoy a word with Betty or a game of cards. She is a true treasure!!

St. Patrick's Day and Easter...

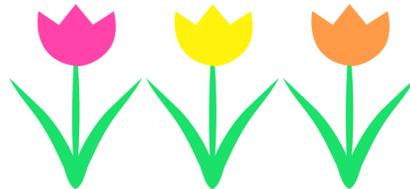

A friendly reminder:

Please remember ALL residents and visitors should sign in and out of our building. There is a book at the front desk. We do this as a safety precaution. This way, if there is an emergency we know how many people are in the building. It also allows us to keep track of who is going in and out of the building for your security.

Allergy season is upon us!! While we are all aware of allergies due to pollen and other environmental issues, there are some people with sensitivity to smells, such as perfumes and lotions. Please be conscious of this and try to limit the amount of fragrance used in common areas. Thank you!!

All residents are responsible for their own trash bags, light bulbs, etc. If you need some things picked up at the store, please sign up for shopping day. We run errands and do shopping every Wednesday.
