2015 Veteran's Day

We had a wonderful veteran's day celebration. During our special appreciation lunch, we were blessed to listen to Col. Cordingly share his thoughts on veterans, young and old. Our veterans gave so much and we should care for them in the manner that we have promised. After lunch we were treated to patriotic songs performed by the talented Karen Myers, Billy Ross' daughter.

We are so thankful to share in the lives of this amazing generation of veterans. God bless you and your families for your service and sacrifice.

December fun... Remember to watch your calendar for all the special entertainment and guests that have been added this month!!!
