## Happy Anniversary

As we enter into February, we are excited to celebrate our communities anniversary.

It seems unbelievable that we have been a family for two years now. We have embraced new members and sadly bid farewell to others. We continue to grow and change as needed. We are thrilled with the community that we have become. Our staff feels blessed to be a part of your lives! Thank you for being such a wonderful part of ours.

## Resident of the Month

Frances Towner is our resident of the month for February. Frances joined our family in October 2013.

Frances was born in Covington but moved to West Union, Ohio after marrying and beginning her family. Frances worked in a doctor's office for several years but spent most of her time raising her family of 9 children.

Frances now enjoys reading, knitting, and spending time with family and friends. She continues to go back to her home church in West Union whenever she can where she was instrumental in getting a bell for the church years ago.

If you have not had a chance to join in on Frances' knitting class, you should make time. She is glad to give instructions and is very helpful. We are so happy that Frances is part of the KP family!!

## **Downton Abbey Series to Begin**

Starting February 2, we will begin the popular series Downton Abbey. It will be played Monday and Thursday evenings at 6:30pm in the living room. We will start with the first season of the series.

This British drama series follows the lives of the Crawley family and its servants in the family's classic Georgian country house. The series begins with the 1912 sinking of the Titanic, which leaves Downton Abbey's future in jeopardy, since the presumptive heirs of Robert, Earl of Grantham -- his cousin James, and James' son, Patrick -- die in the catastrophe, leaving the family without a male offspring to take over Downton when the current lord dies. The point is important since Lord Grantham's children are daughters -- Ladies Mary, Edith and Sybil, but the facets of their lives and of those of the below-stairs staff -- also a highly regimented world -- have fascinating story lines.

This has been a very popular and interesting series. We hope everyone will enjoy this addition to the calendar.

### **Friendly Reminder:**

If you are interested in something in the community newspapers, The Ledger Independent or the Lexington Harold, please wait until the end of the day before you take it. Let someone at the front desk know and we will be glad to hold on to it for you. Thank you for your consideration of everyone in the community.

### **Manicures Coming**

We are thrilled to add Lisa Crawford to our activity calendar. Lisa will be doing manicures in the beauty shop. Please watch for the sign-up sheet.

### **Friendly reminder:**

Please let Krista know if you have any changes on your medication list so we can keep your door hangers up to date.
