## INDEPENDENCE DAY!!!

Variously known as the Fourth of July and Independence Day, July 4th has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution (1775-83). In June 1776, representatives of the 13 colonies then fighting in the revolutionary struggle weighed a resolution that would declare their independence from Great Britain. On July 2nd, the Continental Congress voted in favor of independence, and two days later its delegates adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 until the present day, July 4th has been celebrated as the birth of American independence, with typical festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues.

## Resident of the Month

Our resident of the month for July is Virginia Ames. Virginia and John joined our community in April of last year.

Virginia is originally from Colorado but has traveled a good bit with John, as his positions called for. Virginia worked as a school teacher. She taught all ages but was mostly with high school students. Virginia also worked with special needs children which she took much joy in.

Virginia enjoys playing bridge and is involved with her book club. She shared with me that she use to be an avid tennis player and loved mountain climbing. I hope that you will ask her about some of her adventures. We are blessed that she and John are part of the Kenton Pointe family.
