Resident of the Month

Our resident of the month for July is Betty Carlisle. Betty celebrated her year anniversary of joining our family last month.

Betty enjoyed substitute teaching and raising her wonderful family throughout her life. She has many great memories and stories of their adventures.

Betty loves being outside, soaking up the sun or just rocking in the rocker greeting everyone that comes to visit. Whenever there is an outing she is one of the first ones to sign up and the first one on the bus. She is always ready to travel.

If you have a chance, share a meal with this lovely lady or come along and share a seat on the bus with her for one of our outings. She can show you the ropes. We sure are blessed to have Betty as part of the KP family.

Adventures Await

Summer is here and we are out and moving again. This month we are headed to the Gateway Museum, the Toyota Plant in Georgetown KY and several places to eat. We would like to encourage everyone to get out and come along. It is great to get out of the building and experience what Maysville and our surrounding areas have to offer. Signup sheets are in the dining room for the outings and are very important so that we can plan appropriately for assistance and to give the correct number of participants to the venues we will be visiting. Come and enjoy the summer!!
