National Assisted Living Week

We are so excited that it is time to celebrate "us". Once a year, we highlight and embrace how blessed we are to have one another in this amazing atmosphere. We are family; residents and staff. We help each other, laugh with one another, we care and comfort each other. God has brought us all together for a reason and we must be thankful and grateful for that. This is the week we shine a light on our unique family.

This year's theme is "A Spark of Creativity". During the week, we will show our creativity through arts and crafts, cooking with the culinary class from Mason County High School, enjoying some fun competition and learning more about one another.

We hope everyone, residents and staff, will take advantage of the different activities and visitors that will bless us this week.

Don't forget to invite your family and friends to join us for our Family Picnic Night on Thursday, September 12th from 4:30 pm. to 6:30 pm.

Let's be CREATIVE!!!
