3/31 Resident Council Meeting

Come out and watch
some great basketball
during March Madness!

March Madness

It is that time of year again!!! The SEC Tournament begins on March 9 and the NCAA Tournament begins the week of March 15. All UK games will be played on the TV in the living room. This will cause some adjustments to the calendar once the brackets for both are set. When we know the times we will put a note in your mailbox announcing the changes to the calendar. Thank you for your understanding and **GO CATS!!**

Resident of the Month

Our resident of the month for March is Dorothy Britt. Dorothy came to our community from her Vanceburg home in February of 2015.

She worked for the government in Washington DC until she married. She then became a homemaker and raised her three wonderful children.

Dorothy and her sister Lois have helped to carry on their brother's legacy with UK basketball by being avid UK fans. Their brother played for the UK Wildcats back in the '40's .

Spend some time with this lovely lady. Sit and have a cup of coffee with her...she loves her coffee!! Dorothy is always welcoming and enjoys sharing her table and stories with her friends. We are blessed to have her as part of our family!!

Soda, Pop, Soda Pop or Coke?

We all have a different name for it depending on what we were brought up calling it or what area of the country we were born. After googling this subject, because I am the queen of googling, researchers say referring to the carbonated soft drink as a Coke (even if it's not Coca-Cola) is common in the southern states, soda is the term for it on the northeastern coast and pop is the word in the Midwest. Just a bit of information if Agatha ever comes up with the question during trivia.

I brought this subject up since there has been a question of when we serve carbonated drinks. Water, tea, coffee and lemonade are our basic drink offers. We do serve carbonated drinks during community sports watching, Friday nights at happy hour, and at special group functions.

If you want carbonated drinks during the day, we have a Pepsi machine in the kitchen. They are \$1.25 for a bottle. Any of the kitchen staff will be glad to get it for you. We also have shopping day every Wednesday that you can go to the store or send a list with your money. I hope this clears up some of the confusion.

Resident Parking

There has been some issues with resident parking. No resident has a "reserved" parking spot. We have reserved the front row for residents of Kenton Pointe, but no specific spot is reserved for any person. Furthermore, handicapped parking spaces may be used by anyone with a handicapped tag, regardless of whether or not they live at Kenton Pointe. We are sorry if this upsets anyone, but it would not be fair to reserve certain spots for anyone. Thank you all for your understating!

Mail Time

Going forward, please make it a daily practice to stay back while the mail is being placed in mailboxes. The mail carriers need space to do their job and are not supposed to directly hand mail to anyone. Our mail carriers do a great job and we do not want to do anything that could possibly get them in trouble.

Thanks for your help with this!!

Welcome to the Family...

**Welcome
