Happy Mother's Day

As we celebrate our mothers, aunts, sisters and friends who have guided, supported and loved us, we the Kenton Pointe staff, would like to say Happy Mother's Day to every woman in this community. Whether you gave birth or not, you have "mothered" many people along your journey...and we respect, celebrate and love you.

Resident of the Month

Our resident of the month for May is JK Pumpelly. JK has been part of our family since March 2013.

JK was married to his wife, Wanda, for 60 years. In their last years together, JK helped to care for her as she suffered with Alzheimer's.

JK's career started at the Kentucky Revenue service but after 8 years, he switched to being the Kentucky Farm Bureau insurance agent for this area. He retired from the KFB after 40 years of dedicated service.

JK says his favorite things about living in the community are the fellowship, food and the kindness he has received from all the staff. JK calls himself a cut up, which he is. "And if you don't believe it, just ask him". He will reply, "You got that right". JK, we are so happy you are part of the Kenton Pointe family!

Hello Mr. Sun!!

The warmer weather has arrived and we are on the road again!! So far, we have made it to Hardee's with our fellows and to Desha's with a fine group of folks. It is always fun to get away for a bit.

Remember that sign up sheets are placed on the table in the dining room. Space is limited. If you sign up and something happens that you find out you can't go, let us know so we can fill your spot. I hope we will have some great outings this summer. If you have a suggestion of somewhere you think we would enjoy going and can accommodate our needs, please let me know.

Garden time is here. It is so exciting to think of home grown goodies once again. We will be starting up the garden club. The garden club gets together and checks how things are growing, helps with watering and picks veggies that are ready. We also keep an eye on the flowers and do pruning as needed. Hope you will join our group.

Courtyard and Lake Time

Now that Mr. Sun has decided to shine, let's take advantage of our great outdoor space. It is time to hit the courtyard and sit out under the pergola by the lake. Both these spots are ideal to share a conversation or enjoy some quiet time with a book. So far we have had some wonderful days to get out there and let the cobwebs blow off our shoes. Take a friend or two and soak some sun.
