Kenton Pointe Assisted Living is excited to announce that Janet White has been selected as the new Residence Director beginning September 2017.

Mrs. White has worked with the public in and around the area for many years with her most notable and recent position as branch manager of U.S. Bank in Maysville.

Mrs. White added, "I am extremely excited and honored to be selected as the Residence Director of this wonderful facility. I hope to complement the staff by following their lead of providing high quality senior services close to home".

In August Linda Brown, who has been with the organization since its February 2013 opening, announced that she would be relocating to Hawaii.

Linda Brown added, "Aloha! I have had 5 years of many blessings at Kenton Pointe. From the very beginning when I was the only employee on payroll to today where we have as staff of over 30. We created something very "special" that everyone wanted to be a part of. I want to thank my Kenton Pointe family for all your love and support during this time. It's been a blast!

When asked about the leadership changes, Kavin Cartmell, Executive Director for Hospice of Hope stated, "As we transition leadership at Kenton Pointe, I want to thank Linda for her dedication and expertise in helping to make the facility what it is today. Going forward, we are extremely fortunate to add Janet White to our staff. Her leadership and management skill set will translate well to the future of the Kenton Pointe campus".

The Kenton Pointe family would like to add that we appreciate all that Linda has done for us, staff and residents!! Her laughter and guidance will be missed. In that same breath, we welcome Janet to our Kenton Pointe family!! We are excited to join together and continue to build on the service, care and love we so proudly share with one another.
