Resident of the Month

Lola Brothers is our resident of the month for April. She joined our Kenton Pointe family in February of 2016.

When Lola worked outside of the home, she worked at Browning's. She then raised a wonderful family and became quite a seamstress. Her true specialty was making drapes. She has a lovely story of making drapes for the state capital in Frankfort. According to her friends and family, she is also quite a cook and makes a killer jam cake!!

Lola is very active in our community. She joins in with almost every activity. She is usually one of the first ones there and always has a smile on her face. Lola is a very special lady and we are so blessed to have her as part of our Kenton Pointe family!!

St. Patrick's Day

Congratulations!!

We would like to congratulate our wonderful kitchen staff on their last health inspection score...100%!! That is so awesome!! We are blessed to have a staff that works so hard and cares so much about our community.

Look what's new...

We are thrilled with our new vehicle!!  We can now transport more residents on our outings and give them a more comfortable ride. With our new "party bus," there are 12 seats and space for a wheelchair. We look forward to getting out and exploring the world.
