Our Bowling Team, The Alley Cats, did a fantastic job during the KALFA bowling tournament. They competed against nine other assisted living communities here in Kentucky. All of the teams bowled in their own communities and then faxed in their results to Bob White, the Executive Director of the Kentucky Assisted Living Facilities Association. As of press time, we have not learned the results.

Our community came together and cheered on the team and enjoyed being part of the bowling tournament and party. We all enjoyed punch, bowling ball cookies and bowling ball gum. Our team continues to improve and shows great sportsmanship in helping one another.

Congratulations to Walter Ackley for a new community record with a score of 260!!!

Attitude

By: Charles Swindoll

"The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think, say or do. It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home. The remarkable thing is we have a choice every day regarding the attitude we embrace for that day. We cannot change our past... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play the one string we have, and that is our attitude... I am convinced that life is 10% what happens to me and 90% how I react to it.

And so it is with you... we are in charge of our Attitudes"

We started a new tradition with our funny money auction. Barbara Jones was the first resident to get the "secret bag". Walter Ackley donated some corn cobs after our last auction and the talk of corn cobs and toilet tissue. We all got a good laugh and Barbara was a wonderful sport about her gift.

Now Barbara will fill the bag and we will see what gets passed on and how much the gift goes for!! Fun times at KP...

Resident of the Month

Our resident of the month for August is JK Pumpelly. JK has been part of our family since March 2013.

JK was married to his wife, Wanda, for 60 years. In their last years together, JK helped to care for her as she suffered with Alzheimer's.

JK's career started at the Kentucky Revenue service but after 8 years, he switched to being the Kentucky Farm Bureau insurance agent for this area. He retired from the KFB after 40 years of dedicated service.

JK says his favorite things about living in the community are the fellowship, food and the kindness he has received from all the staff. JK calls himself a cut up, which he is. "And if you don't believe it, just ask him". He will reply, "You got that right". JK, we are so happy you are part of the Kenton Pointe family!
